Our Herbal Salve with CBD contains a bounty of prized plants and herbs, including organic, pesticide-free, non-GMO CBD. Chamomile, calendula, St. John's Wort, milk thistle, aloe vera, and arnica add to its appeal. To make this gentle salve, dried flowers, leaves, and powders made from whole plants are infused into a blend of olive and sweet almond oils. After straining the mixture, it's blended with beeswax and CBD extract to make a smooth, moisture-rich salve that rubs on easily to make a protective layer on the skin.

BATH BUTTA' BOMB WITH CBD

5.3 oz. Bomb
Contains 75 mg of CBD*

● Eucalyptus Lime ● Lavender Rose

BODY LOTION BAR WITH CBD

3 oz. Bar
Contains 250 mg of CBD*

These fun and fizzy Bath Butta' Bombs add excitement to any bath. They are specially made with detoxifying kaolin clay to help remove excess dirt and oil from skin. Fair-trade cocoa and shea butters provide intense moisture, while the broad-spectrum hemp extract soothes and provides increased absorption for potential muscle relief.

This smooth, solid moisturizer in our signature scent is gentle and rich with fair-trade shea and cocoa butters and broad-spectrum CBD. It melts on contact with skin and rubs in easily. Solid lotion bars are the ideal mid-shower moisturizer and travel companion. Dry skin soaks up the rich formula packed full of vitamins A & E and omega fatty acids.
