

HOT FREEZE

Relief + Recovery

Whether you're gym loving, trail tromping, over-worked or just plain worked, Inesscents™ Hot Freeze topical products were created especially for YOU. Formulated in a potent eight herb organic botanical base, we combined the warming benefits of cayenne and black pepper with the cooling effects of menthol - then topped it all off with full spectrum CBD Extract. Specifically designed to provide support to muscles and joints, this blend is perfect for use at the gym or on the go.

- + Active Ingredients - CBD, Black Pepper, Cayenne, Frankincense and Menthol
- + Over 95% Certified Organic Ingredients
- + Available Products - 2oz Salve Jar, .5oz Travel Stick, 9ml Roll-On, 2 & 4oz Spray and Recovery Cream

MOONTIME HARMONY

Relax + Calm

Ease your tired muscles and joints with Inesscents™ Moontime Harmony CBD infused salves and elixirs. This aromatic blend is the perfect option for restoring wellness in the physical body, while supporting the emotional body. In addition to the benefits of full spectrum CBD extract, we use some of nature's most harmonizing essential oils: clary sage, geranium and lavender, blended with a touch of ginger and cayenne to relax, restore and bring the body back into balance.

- + Active Ingredients - CBD, Clary Sage, Geranium and Lavender
- + Over 95% Certified Organic Ingredients
- + Available Products - 2oz Salve Jar, .5oz Travel Stick, 9ml Roll-On

SKIN NOURISHING

SKIN NOURISHING EXTRA+

Soothe + Support

Inesscents™ Skin Nourishing Salves and Elixirs are therapeutic topical products designed to provide relief for those with sensitive skin, or to use on sensitive areas of the body. Organic botanicals of arnica, calendula, turmeric, tamanu and helichrysum gently soothe + support skin, muscles and joints. We use a whole plant CBD extract which retains beneficial phytonutrients such as plant sterols, terpenes, and chlorophyll making this a truly exceptional plant-based first aid remedy.

- + Active Ingredients - CBD, Arnica, Calendula, Helichrysum, Tamanu and Turmeric
- + Over 95% Certified Organic Ingredients
- + Available Products - 2oz Salve Jar, .5oz Travel Stick, 9ml Roll-On

OUR PROCESS

Inesscents™ is committed to providing full transparency to our customers, so they can make informed, educated and empowered purchasing decisions.

- Our agricultural hemp is cultivated by both farmer cooperatives in the EU and organic farmers in Southern Oregon.
- We use a CO2 extraction process to create a pure, non-toxic, high quality CBD oil. This method environmentally friendly and eliminates the need for harsh chemicals used in other extraction methods.
- All extracts are tested for cannabinoid content, pesticides, contaminants, heavy metals and solvents.
- Every finished product is third party tested by an ISO certified lab before distribution.
- We utilize our extensive knowledge of botanicals and combine it with the emerging science of hemp derived cannabinoids to deliver the highest quality topical CBD products available.
- Inesscents™ takes pride in sourcing from local organic farms for many of our ingredients.
- Each batch is hand blended to ensure freshness, quality and consistency.

Why Inesscents? When you purchase Inesscents™ products you are doing more than just nurturing your body. You're also supporting fair trade practices, our global network of organic farmers, conscious consumerism and changing the way the world does business. Now that's something to feel great about!

FACIAL CARE

Fresh Flower Hemp Hydrosol contains a rich array of beneficial terpenes, known to be calming and soothing for the skin. This gentle toner works in perfect harmony with our facial moisturizers to enhance absorption and bring balance.

CBD + Aloe Cream Cleanser gently removes impurities, while soothing dry, sensitive skin. Infused with mineral rich sea kelp and soothing mandarin, this luxurious facial wash will keep your skin naturally hydrated, fresh and beautiful.

CBD + Immortelle Balancing Facial Cream is a silky, lightweight and nutrient dense every day facial moisturizer. Formulated with some of nature's most precious botanical oils, this luxurious cream is sure to bring out your natural glow.

CBD + Immortelle Moisture Boosting Serum is a light and bright facial moisturizer that includes a rich base of organic botanicals such as calendula, chamomile, lavender, frankincense and heliocrisum known to calm and restore balance to the most sensitive skin.

CBD + Immortelle Protective Facial Balm is a skin soothing organic herbal blend of chamomile, raspberry, carrot seed, tamanu and lavender. This light and highly absorbable moisturizer leaves the skin feeling soft, rejuvenated and hydrated.

CBD + Rose Restorative Facial Butter is a golden, lightweight and deeply nourishing facial moisturizer. Rose, sandalwood, heliocrisum and CBD work to restore skin's natural radiance. Perfect for nighttime use.

BATH + BODY

CBD Botanically Infused Bath Salts harness the healing powers of hemp, paired with the finest Pharmaceutical grade salts and organic oils to soak away your worries and leave you with a truly therapeutic and blissful bathing experience.

- **Pure & Unscented** - We use only USP Epsom Salt, Himalayan Pink Salt, and our very own locally grown herbal infusion. No essential oils, no fillers, pure and simple.
- **Lavender** - Formulated for those needing to relax and reset on the deepest level. Indulge in this aroma-therapeutic journey of certified organic lavender, bergamot, cedarwood and marjoram.
- **Eucalyptus** - This blend incorporates certified organic essential oils of eucalyptus, spruce, lemon and peppermint. An excellent option for full body rejuvenation and respiratory support.

CBD Botanically Infused Soaps are formulated with an organic coconut and olive oil base to create a gentle yet therapeutic cleanser suitable for all skin types.

- **Pure & Unscented** - A gentle, simple, and pure formulation perfect for the most sensitive skin.
- **Activated Charcoal & Tea Tree** - This active herbal soap is drawing and detoxifying, making it ideal for deeply cleansing and clarifying the skin.
- **Colloidal Oatmeal & Lavender** - This bar is a classic skin soother and perfect for minor skin irritations.

Inesscents™
